COMPACT POWER

BIG PERFORMANCE

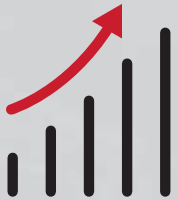

MASSEY FERGUSON

MASSEY FERGUSON

ACHIEVING BETTER WITH MASSEY FERGUSON

RELIABLE PERFORMANCE THAT WORKS AS HARD AS YOU DO

From the user-friendly Massey Ferguson® 1GC Series to the heavy-duty MF 4700 Series, Massey Ferguson tractors are built for real-world performance. Fuel-efficient engines, rugged steel frames and intuitive controls keep you productive while reducing downtime.

VERSATILITY THAT ADAPTS TO YOUR NEEDS

Every operation is different—that's why our lineup is designed for flexibility. Whatever the job, there's a Massey Ferguson tractor built for it.

- » The MF 1GC, MF 1E and MF 1M Series handle mowing, snow removal and material transport.
- » The MF 2E and MF 2M Series add more power and lift capacity.
- » The MF 2600 H and MF 4700 Series provide the strength for hay and livestock with the versatility of a traditional utility tractor.

COMFORT AND EASE THAT KEEP YOU GOING

Long days require a tractor designed with the operator in mind. Whether you're tackling weekend projects or full workdays in the field, stay productive with:

Spacious Platforms // Comfortable Seats // Ergonomic Controls // Climate-Controlled Cabs

MAXIMUM ROI WITH COST-EFFECTIVE OWNERSHIP

Massey Ferguson tractors provide lasting value and dependability with fuel-efficient engines, low-maintenance designs and proven durability. Lower ownership costs mean fewer unexpected expenses and more time focused on getting the job done.

RELIABILITY. PERFORMANCE. VERSATILITY. BECAUSE BETTER IS ALWAYS WITHIN REACH.

For generations, Massey Ferguson has built tractors that hardworking operators trust. Our machines deliver reliability, performance and value—so you never have to compromise to get more done. Whether you need a compact tractor for small tasks or a workhorse for demanding jobs, there's a Massey Ferguson tractor ready to meet your needs.

THE MASSEY FERGUSON LINEUP AT A GLANCE

FIND THE TRACTOR THAT HELPS YOU GET MORE DONE

No matter what you need from a tractor, Massey Ferguson delivers. These tractors are your key to growing your own food, raising livestock or increasing your property value. Because when your equipment works as hard as you do, better outcomes are always within reach.

MF 1GC SERIES // 23–25 HP

MOWING // GARDENING // SNOW REMOVAL // YARD WORK // MATERIAL HANDLING

COMPACT BUT CAPABLE

- » A small footprint allows maneuverability in tight spaces while offering reliable power for property upkeep.

SIMPLE, EFFICIENT PERFORMANCE

- » A proven diesel engine provides strong, consistent power output.

A SMALL TRACTOR WITH BIG CAPABILITIES

The Massey Ferguson 1GC Series is the ultimate property maintenance companion. Ideal for new operators and small property owners, it replaces multiple tools in one versatile machine. So you can mow, clear snow and haul materials with confidence.

MF E SERIES // 25–60 HP

PROPERTY MAINTENANCE // LANDSCAPING // MATERIAL HANDLING //
SMALL LIVESTOCK // HAY PRODUCTION

MF 1E SERIES // 25–40 HP

EFFORTLESS CONTROL & MANEUVERABILITY

- » Automotive-style side-by-side hydrostatic pedals, an ergonomic operator station and a comfortable seat ensure smooth all-day operation, especially in tight spaces.

ALL-SEASON VERSATILITY

- » Works with a range of attachments, including loaders, mowers and snow removal tools, making it a year-round workhorse.

DURABLE, HEAVY-DUTY BUILD

- » A reinforced frame provides stability and reliability, making it ideal for demanding property maintenance and small farm tasks.

MF 1E SERIES	RATED ENGINE (HP)	PTO (HP)	REAR LIFT CAPACITY 24" BEHIND (LBS)	LOADER LIFT CAPACITY TO MAX HEIGHT — 19.5" FORWARD OF PIVOT PIN (LBS)	MACHINE WEIGHT (LBS)	OVERALL HEIGHT (IN)

PREMIUM COMPACT TRACTORS FOR YEAR-ROUND WORK

The Massey Ferguson M Series combines versatility, comfort and power to handle the most demanding workloads. Whether you're managing livestock, clearing snow or tackling seasonal maintenance, these premium compact tractors are designed to maximize efficiency and operator comfort. The MF 1M Series delivers practical features in a compact package, while the MF 2M Series steps up with enhanced power and durability for larger-scale applications.

MF 2M SERIES // 50–65 HP

PREMIUM COMFORT FOR LONG DAYS

» Upgraded seating, LED lighting and an available Deluxe cab provide an enhanced operator experience, reducing fatigue.

BUILT FOR DURABILITY & HEAVY-DUTY TASKS

» A reinforced frame, increased axle load capacity and enhanced durability mean less downtime and more efficiency.

MORE POWER & CONFIGURATIONS

» A heavy-duty diesel engine with higher lift capacity, plus hydrostatic or 12 x 12 power shuttle transmissions, ensures performance tailored to your workload.

MF 2M SERIES	RATED ENGINE (HP)	PTO (HP)	REAR LIFT CAPACITY 24" BEHIND (LBS)	LOADER LIFT CAPACITY TO MAX HEIGHT — 19.5" FORWARD OF PIVOT PIN (LBS)	MACHINE WEIGHT (LBS)	OVERALL HEIGHT (IN)

MF 2600 H SERIES // 45–75 HP

PROPERTY MANAGEMENT // MATERIAL HANDLING // HAY PRODUCTION //
SMALL LIVESTOCK

EFFORTLESS MAINTENANCE

- » A simple-release hood latch makes checking filters and fluid levels fast and hassle-free.

POWER FOR EVERY JOB

- » Ranging from 45 to 75 HP, this series is equipped for loader work, material handling, field prep and mowing.

BUILT TO LAST

- » A rugged steel hood, fenders and platform ensure long-term durability in tough conditions.

STRAIGHTFORWARD TRANSMISSION CHOICES

- » Select from an 8F x 2R with live PTO or an 8F x 8R shuttle with independent PTO to match your needs.

RELIABLE, NO-REGENERATION ENGINE

- » No DPF means no downtime, just consistent power when you need it most.

A NO-NONSENSE WORKHORSE FOR EVERYDAY TASKS

The Massey Ferguson 2600 H Series is a reliable utility tractor designed for efficiency and longevity. Whether you're farming, landscaping or managing a worksite, its open-platform design and high-capacity hydraulics ensure smooth operation. With fewer moving parts and no unnecessary complexity, it's easy to own, easy to operate and always ready to work.

MF 2600 H SERIES	RATED ENGINE (HP)	PTO (HP)	ENGINE	MECHANICAL TRANSMISSION	3-POINT LIFT CAPACITY (LBS @ 24")	ROPS BASE WEIGHT WITHOUT BALLAST (LBS)
MF 2604 H	45	38	Simpson 2.6L, 3-cylinder, EPA Tier 4 final compliant	8 forward x 2 reverse sliding mesh gearbox	Cat I & II 2,204	2WD – 4,597 4WD – 4,927
MF 2605 H	55	46		8 forward x 2 reverse, 8 x 8 synchro shuttle		Cat I & II 2,755 with extendable lower links
MF 2606 H	65	55		8 x 8 synchro shuttle		
MF 2607 H	75	64				

MF 4700 SERIES // 75–100 HP

HAY PRODUCTION // FARM CHORES // LIVESTOCK // SMALL ROW CROP // CONTRACT AND GOVERNMENTAL WORK

OPERATOR-FOCUSED DESIGN

- » A spacious platform with ergonomic controls and an available cab makes long workdays more comfortable.

EFFORTLESS TRANSMISSION OPTIONS

- » Select from a fully synchronized 12 x 12 power shuttle transmission or the available Dyna-2 powershift transmission with a brake-to-neutral capability to match your specific needs.

HYDRAULIC PERFORMANCE FOR EVERY TASK

- » Open-center hydraulic system provides ample flow for loader work and 3-point-hitch operations.

PROVEN AGCO POWER ENGINE

- » A fuel-efficient turbocharged diesel engine delivers between 75 and 100 HP.

HEAVY-DUTY STRENGTH

- » A robust frame and best-in-class base weight provide superior stability and lift capacity.

RELIABLE, POWERFUL AND BUILT FOR DEMANDING JOBS

The Massey Ferguson 4700 Series is built for daily maintenance tasks, livestock management and commercial applications. Designed for durability and ease of use, it offers the power and stability to tackle even the most demanding tasks with confidence.

MF 4700 SERIES	RATED ENGINE (HP)	PTO (HP)	ENGINE	TRANSMISSION
